
Carol Peace 25th Anniversary Exhibition

10 June — 4 July, 2017

Biography

Carol Peace studied sculpture at Winchester School of Art and drawing at The Prince's Drawing School. She has obtained numerous commissions both public and private and had solo shows in London, Athens, Zurich, France, Spain and Holland. In 2007 she co-founded the Bristol Drawing School and was the artistic director for four years.

Exhibition

This is Carol Peace's 25th year as a professional artist, so we decided to mount an exhibition to celebrate the fact. The work includes recent sculpture, both large and small, and including a small selection of her paintings to add extra colour to a very special celebration.
